Logistical Requirements

- Art Gecko runs numerous synths/electronic elements and **requires a full sound check prior to performance** (festivals exempt).
- The band requires 4 monitor mixes:
 - Mix 1: Just vocals
 - Mix 2: Just synths
 - Mix 3: Drummer's mix
 - Mix 4: Guitarist's mix
- **Mixes 1 and 2 are sent to an in-ear monitor transmitter.**
- Mix 3 is sent to the drummer's personal wired monitor system.
- Mix 4 is sent to the guitarist's stage wedge.
- Art Gecko runs **tracks from a laptop/interface.**
- **All synthesizers are sub-mixed on a mixer which provides stereo outs.**

Inputs
